The Honorable Charlie Crist
Governor of The State of Florida
PL-05 The Capitol
Tallahassee, FL 32399-0001

Dear Mr. Governor:

The hectic political season has a greater focus right now than our State Party's upcoming organizational election. Therefore, I will be brief. My name is Eric D. Miller. I am State Committeeman elect from Martin County. The purpose of this letter is to insure that you are aware of my intention to seek the position of Chairman of The Republican Party of Florida.

I will soon be making statewide media announcements. I believe that I owe you, as our State Party leader and the office of Governor, the opportunity to know of this before the media and political insiders.

Mr. Governor, I am pursuing the Chairmanship for the betterment of our party. The United States Army Infantry has a saying, "Follow Me". As a former Airborne Infantryman, I learned to lead by being in front and earning the respect of those around me. Current leadership has been the polar opposite of this type of leadership and has thus alienated a very large portion of our Party's faithful.

I am entering this race not for political gain, but for the sake of the Party. I welcome your opinion. As the campaign season ends, I am hopeful that you and I will have time to discuss this matter in detail.

Yours in service,

Eric D. Miller
RPOF State Committeeman Elect
