Dear Mr. Waters,

The above referenced Future Land Use Map Amendment application has been determined “complete” for the purposes of review by the Village. Deanna Freeman is the Village’s Project Coordinator for the subject request.

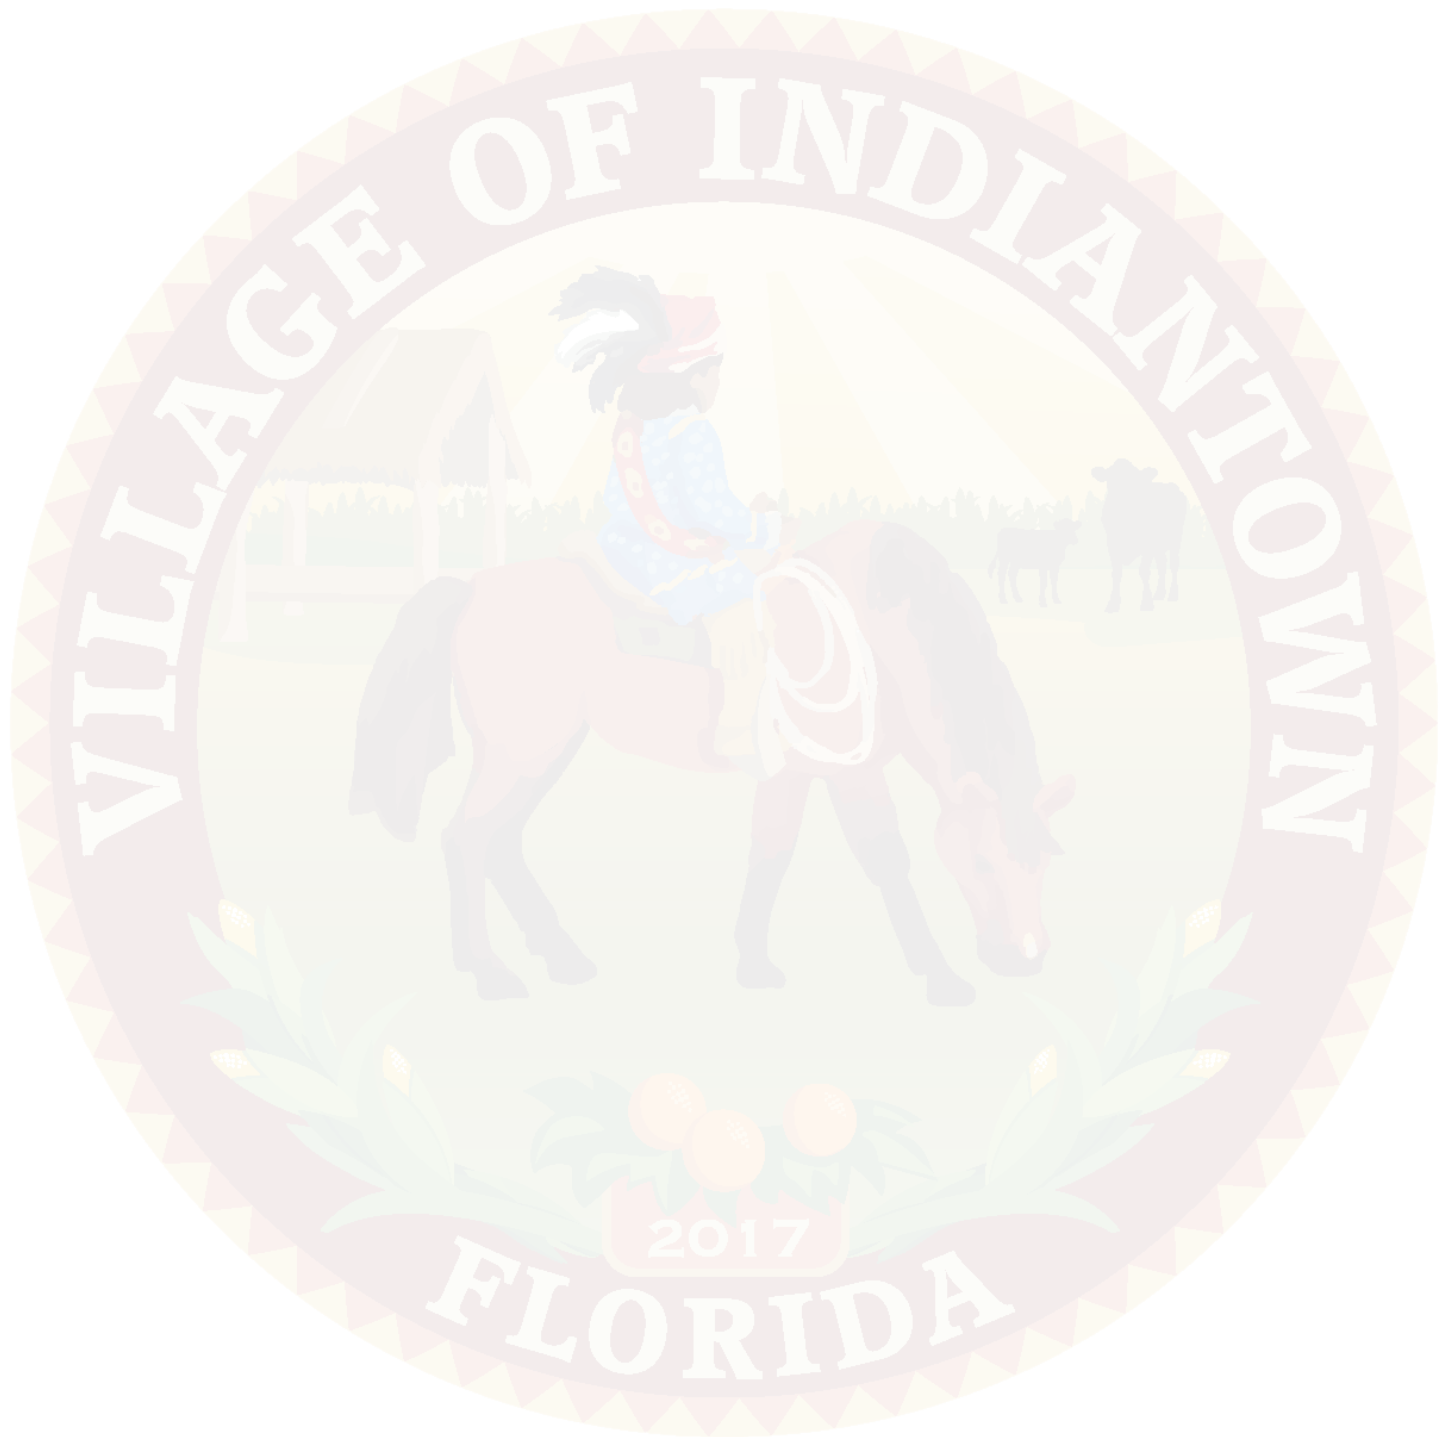

Please submit an electronic set of the application materials consistent with the paper set of documents provided for completeness review. We will follow up with dates for scheduling for applicable public hearings once the reviews are underway. Please be working on the public consultation requirements in accordance with the LDR, including providing a certified list of property/business owners.

You may contact Deanna Freeman, Community & Economic Development Director, and project reviewer, at 772 485 7095 or dfreeman@indiantownfl.gov if any clarification or additional information is needed in the interim.

Sincerely,

Deanna Freeman

Community & Economic Development Director
