Re: Tesoro Groves PUD Plat – **Plat Checklist Not Applicable**
Our Reference Number: 25-455

Dear Mrs. Freeman,

Please accept this memo in place of the Plat Checklist, as the Platting Surveyor has coordinated with the Village's reviewing Surveyor and determined that the Checklist is not required at the time. This letter is being prepared in place of such document to accommodate the default file upload requirement in the Village's project portal upload interface.

We greatly appreciate your time and attention to this matter and please do not hesitate to contact me directly should you have any questions or concerns.

Respectfully,

Brian Nolan, AICP, ASLA
Partner
